Care Coordination Program

Many individuals and their families prefer to arrange for and manage their own long-term care services. Navigating the world of caregivers and facilities can be difficult. Through this Care Coordination Program offered by Long-Term Care Group, Inc. (LTCG[™]), you have access to Care Management professionals that can support you and loved ones as you arrange for needed long-term care services.

The Care Management professionals at LTCG can provide information to support your search for a caregiver or facility that is right for you as well as assistance to:

- **LOCATE** a qualified caregiver, long-term care facility or home-delivered meals provider
- **DEVELOP** a plan of care to ensure all your needs are met
- **DIRECT** you to organizations with expertise in your disabling condition
- **SET UP** your first home care visit
- **UNDERSTAND** the steps involved in moving into a long-term care facility
- **HELP** you understand the cost of long-term care and how you will be billed for the services you receive

If you need a little help or support throughout the process, know that we are here for you.
